Vision: To create a society of Missionary PassioPreneurs who are effective entrepreneurs and intrapreneurs who create value by practising human values through a positive contribution to oneself, family, organisation, society, country, and the world.

The need of the hour: There are no jobs out there. We have to ensure that our youth do not go astray or feel defeated and cheated due to lack of opportunities. The country and the world could compromise the energy, enthusiasm, and enterprise of the vibrant and vigorous young adults. We have to ensure that our youth do not go astray or feel defeated and cheated. Together we all must work to ensure that our youth truly becomes a demographic dividend and not a tax or a scourge. It's a ticking time bomb and we need to awaken and acknowledge reality.
