# REX Karmaveer Global Youth Fellowship And Karmaveer Chakra Awards

**Rex Karmaveer Global Youth Fellowship (RKGYP)** is a community for undergraduate students within the larger **Rex Karmaveer Global Fellowship (RKGf)** empowered by the **Karmaveer Chakra** awards instituted by **iCONGO** in partnership with the **UN**. Our fellowship is a community of people who are driven by purpose and have a shared vision, common cause and mutual intent of **learning2learn** for personal discovery, growth and transformation, because all change starts with the self.

We passionately work with **people from across the globe**, for the mission of **encouraging social justice through citizen action**, with a vision of **creating a better, safer, just, humane, egalitarian, fair and responsible society and world**. Thus our Passion Mantra is **'Together as ONE we can RIGHT every WRONG'** to experience **'The Joy Of Giving'**, simply by being and leading the change. I Change to change our society. I change to change our community. I change to change our nation. I change to change our world. I change to change everything and everyone.

Over the past 20 years we have worked with various citizens & multiple stakeholders, to create win-win partnerships by bringing together a wide cross-section of concerned, responsible and caring citizens of the world from Government, Bureaucracy, Corporates, Academia, Civil Society, Media, Police, Armed Forces, Entrepreneurs, Sports, Movies, Music, Creative Arts, Performing Arts, Liberal Arts, Youth and Student sectors, to stand up, speak out and make a difference with **Individual social responsibility**.

Our **REX Karmaveer Global Fellows** are credible, ethical, members of society who are specifically curated, nominated and awarded in recognition of their work and accomplishments to make a difference in society or their inspiring work, deeds and ideas for action to change mindsets for the **betterment of self and society**. All are fellows are stellar **Voices of Conscience**, **Voices of Humaneness** and **Voices of People Power**, who exercise and rejoice **THE POWER OF ONE**.

Our **Rex Karmaveer Global Youth Fellows** are undergraduate students from different disciplines, who have led by being the change that they envisioned in their ecosystem to inspire others to follow the untrodden path by creating an inspiring legacy to make our world a better, safer place. We believe all our chosen **Rex Karmaveer Global Fellows** have huge potential to become bigger champions of change and better citizens of the world. All our **Rex Karmaveer Global Youth Fellows** have lifelong access to the coveted **Rex Karmaveer Global Fellowship** network, which offers great life, leadership and learning2learn lessons from some of the best mentors-in-residence, who are our senior fellows curated from around the world.

Our fellowship is **BY INVITATION ONLY** and the **Karmaveer Chakra (KVC)** award is given to students only after they complete the lessons in the first part of their fellowship and announce a project that they would work on as **champions of change**. The **Karmaveer Chakra** award and honour is not just a prize, recognition or medal, but an entrustment and trusteeship to follow the guiding principles and values of humanity by shouldering more responsibility to discover more, learn more, grow more, do more, be more, change more and contribute more.

The **biggest gift and award** of the **Rex Karmaveer Global Fellowship** is the **life, leadership and learning2learn lessons** through our stories that we share with each other for greater self-awareness, self-discovery/transformation and social consciousness, **to inspire solid character** and **unleash our unlimited heroic potential**.

## REX Karmaveer Global Youth Fellowship And Karmaveer Chakra Awards

Genesis: The Karmaveer Chakra awards is the flagship initiative for the UN in the International Year of Volunteering and the REX Karmaveer mission. At the behest of the UN, iCONGO instituted the Karmaveer Chakra awards in partnership with the UN, to recognise people from around the world, who are **CHAMPIONS OF CHANGE** and **REAL HEROES**, leading

and inspiring transformation by changing mindsets and setting their goals for the cause of humanity and the greater good in our world. In the past 15

years, REX Karma veer Global Fellowship has been presented to people from all walks of life for their work including Princes, Princesses, Authors, Actors, Captains of Industry, Business Executives, Media Professionals

Bureaucrats, Diplomats, NGO/UN Leaders, Educators, Teachers, Leadership Experts, Lawyers, Professionals, Global Crusaders, Innovators, Entrepreneurs, Volunteers, Soldiers, Slum Dwellers, etc. The REX Karmaveer awards has also recognised and awarded educators from around the world for their path-breaking work in the holistic development of children in the past.

**Mission:** To inspire youth to pursue their dream, and transform their passion into the vision and mission of life.

**Vision:** To create a society of Missionary Passio Preneurs who are effective entrepreneurs and intrapreneurs who create value by practising human values by making a positive contribution for oneself, family, organisation, society, country, and the world.

**Why:** The Covid-19 Pandemic has not only triggered health concerns but has also led to an economic slowdown. Millions have lost their jobs worldwide and there are no jobs in the market. Further, our education system is designed in such a way that most of the students who are graduating from colleges after paying such extortionate fees are trained only to be job seekers and career mules. Of course, the students will feel defeated and cheated when they find themselves deprived of the promised career options about which they dreamt of.

When winds of change blow, most hide behind walls,  
few choose to harness the wind and build windmills !

REX Karamveer Global Youth Fellowship(RKGYF) and **moJOsh** Inspirator Life, Leadership, Learning2Learn success summit (**miLLLss**) are initiative under the aegis of Karmayuga launched by the international confederation of NGO and the UN in 2011.

To aspire a yuga i.e. an era, where each performs voluntary and virtuous action as prescribed by Indian scriptures and fundamental duties.

To inspire Indians towards everyday practice of Individual Social Responsibility and Citizen Action.

The Sustainable Goals are the blueprints to achieve better and more sustainable future for all.

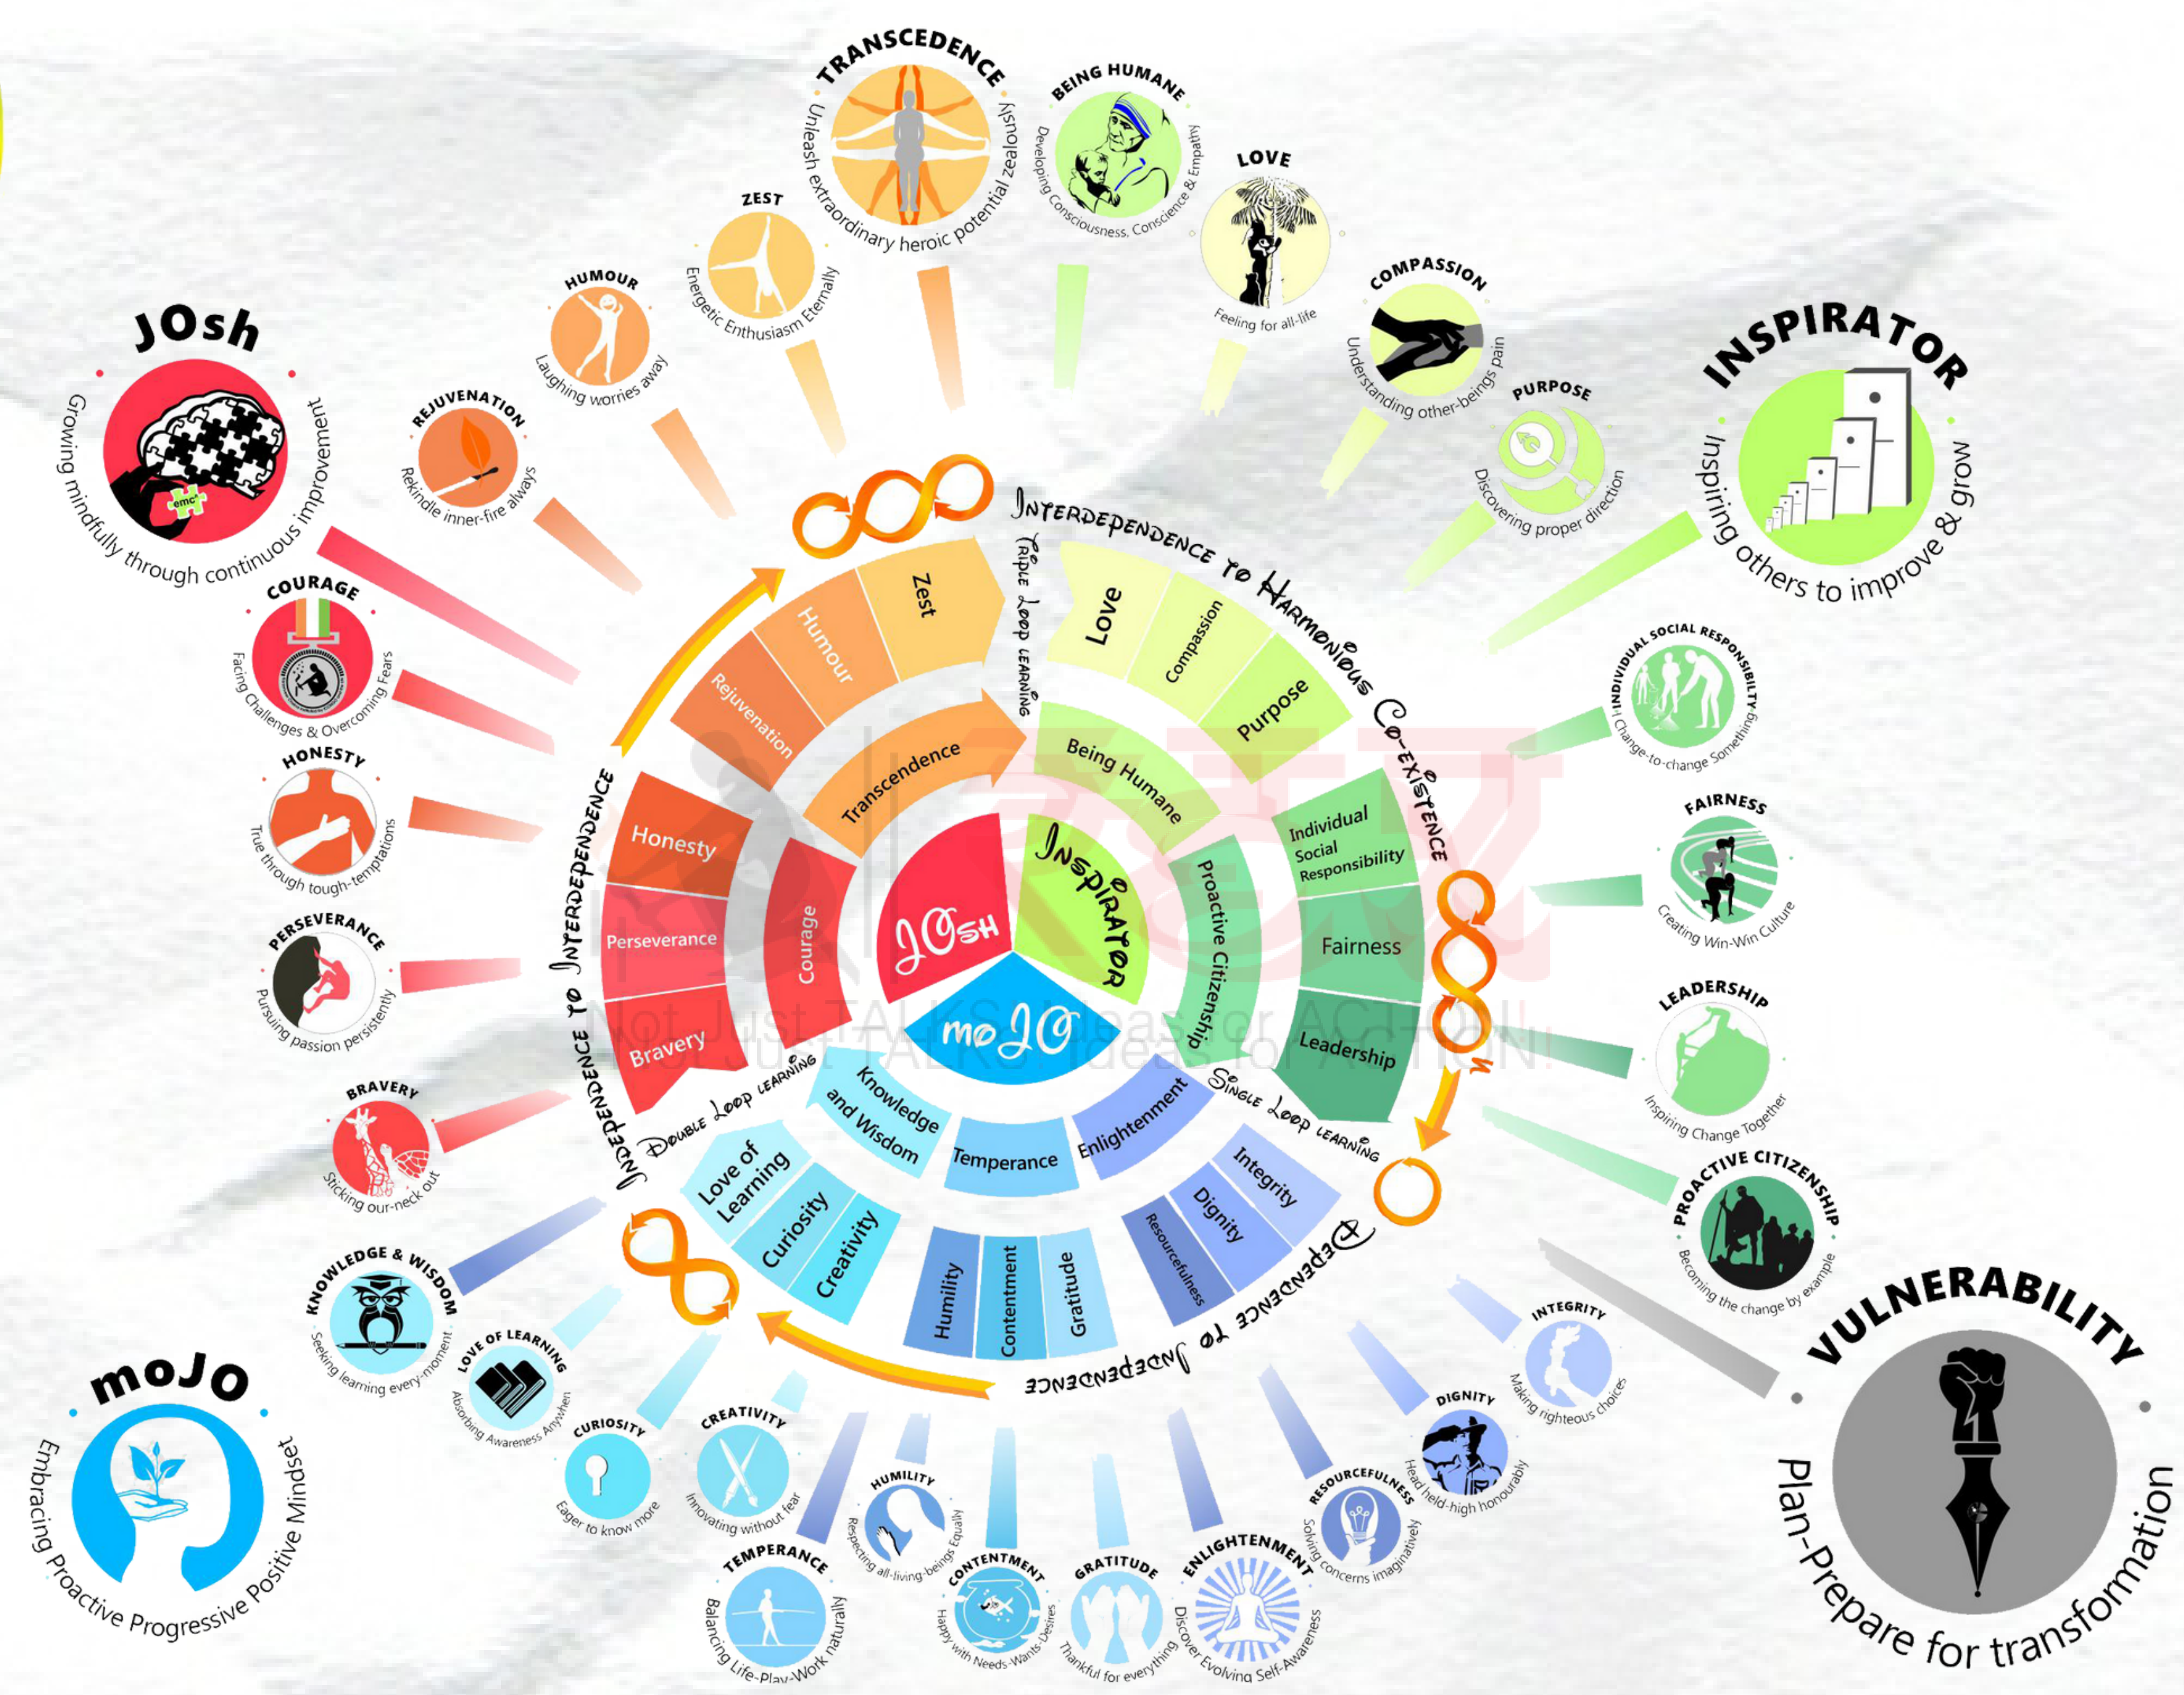

Sustainable development goals address the global challenges such as poverty, inequality, climate change, environmental degradation, peace & justice.

We need to develop right mindsets, beliefs, human values and behaviours to make human beings aware citizens and professionals.

# moJOsh Inspirator Infinitum

Volunteering provides life, leadership and learning2learn and most essential soft and people skills for character-rooted learning, which makes children into a better human being, better citizen, better leader, better team players etc.

## Why be a volunteer?

REX Karamveer and Right every wrong movement celebrate the **POWER OF ONE**, individually and collectively because "We the People are We the Power" Volunteering makes you find a new skill set or hidden talents along with making new friends. It also reduces stress and raises self-confidence. This gives sense of purpose and helps to reach out to the community. We can also help in the upward trend in school performance. It also teaches empathy and helps in developing psychological, social and cognitive skills.

Without volunteers, we'd be a nation without a soul.

Volunteers don't get paid, because they're worthless but because they're priceless.

### Why be a volunteer?

It's not for money, it's not for fame. It's not for any personal gain. It's just for love of fellow man. It's just to send a helping hand. It's just to give a tithe of self. That's something you can't buy with wealth. It's not medals won with pride. It's for that feeling deep inside. It's that reward down in your heart. It's that feeling that you've been part. Of helping others far and near, that makes you be a Volunteer!

**Mumbai:** For years, tech giants around the world have marked December 1 on their calendars for a visit to the IITs to pick up fresh graduates. But this year, the class of 2021 has received fewer international offers: less than 200 IITians across the country have landed an overseas job.

While some of the older campuses have seen a substantial reduction in international opportunities, younger IITs have seen a marginal dip. Not only have offers reduced, even the compensation
